

# Kansas Junior Limousin Breeder's Association

As it is a new year, we need to have our members start sending in their yearly association dues. The dues keep you in good-standing membership from January to December of the year you pay them. We encourage you to pay your dues soon and encourage other members to join if they are interested in Limousin cattle.

Some important dates for your 2017 calendar are:

**May 15<sup>th</sup>:**

Entries due for Junior Nationals

**May 26<sup>th</sup>:**

Entries due for Junior KJLBA Field Day

**June 4<sup>th</sup> @ 10:30AM:**

**July 1<sup>st</sup> – 7<sup>th</sup>:**

If you have any questions, don't hesitate to call or email.
