

Field Day Update 3/25/20

Since the Leavenworth county fairgrounds will be closed through May. We will move field Day to Campbell's house 18126 Fairmount Rd. Tonganoxie, KS. It will still be May 31, 10:30. Also check in will be the morning of by 9:00. No fit show. The Campbell family didn't even hesitate to offer their place up and we are grateful for members/friends/ family like them.
Please help spread the word.

Karen Campbell and family will feed everyone on Saturday evening (if you would like to bring a side and or dessert), Sunday breakfast and Sunday lunch. After the show we will still have a meeting and elect officer at this time.

I know life is crazy right now, but if we can show up and support our KLBA sale on March 28th that would be great too. If enough jr. members show up, we can also have a quick meeting. We do have a lot to discuss and catch up on.

Thanks to all

Lacey
