

2020 Kansas Jr. Limousin Breeders Association

Newsletter

Hello! I hope 2020 is treating you all decently.

My name is Lacey Shipman McCarley and I have volunteered to be the 2020 Kansas Jr. Limousin Breeders Association advisor. My family has been involved in the Limousin breed since the 70's. My husband, D.J. and I have since decided to continue Shipman Cattle Co. and we have a small herd of Limousin, Lim/Flex, Simmental, and SimAngus cows. Our daughters Adysin (14) and Aliston (8) are active members in the Limousin association, together they are A² Show cattle. If you have any questions please do not hesitate to ask. Please call, text or e-mail.

It's time for the new show season and membership dues need to be turned in before Field Day for you to be able to show.

This year the Kansas Field Day will be held in conjunction with the Heartland Regional show. The shows this year will be held in Tonganoxie, Kansas. The Heartland show will be Saturday May 30th and Field Day will be Sunday May 31st. Mark your calendars!

**** NASCAR is in Kansas City the same weekend as Field day and Heartland so make plans to get your reservations early.**

- **Things to think about:**

* Fundraisers- It has been brought to my attention that KJLB will be able to run a concession stand during Heartland and Field Day. What will we need in order to make this successful? Volunteers! To add to this we need ideas of what to sell.

*Include more activities with Field day such as: having a fitting contest, barnyard Olympics, adding contests like Nationals.

* Also, please be thinking of other ways to get donations or doing a fundraiser. I would like to see the Jr. Association and families pay for very little.

Events:

KLBA Annual Meeting: March 28, 9:30 AM Eldorado, KS
