

The Kansas Limousin Breeders Association's Flint Hills Choice Sale is still on for next Saturday March 28th in El Dorado, Ks. The sale committee and consignors want to ensure you that we will do everything possible to make sure the facility is clean and safe for our customers.

If you are not comfortable attending the sale or it is inconvenient for you at this time, please feel free to contact any of the consignors to visit their farms to view their cattle or answer questions. You will also be able to view the cattle at the sale barn Friday afternoon/evening, or Saturday morning prior to the sale. You can request to be on the phone during the auction with Dean or Bev Summerbell, or any of the consignors listed at the bottom of this message. You may also leave bids with any of them if you are unable to be on the phone during the sale.

We know the Covid-19 has caused a different situation for all of us that nobody has previously experienced. We know your cows need a bull. With the abundance of rain we have had, there is a lot of grass coming on so will you need more cattle. Rest assured we will do everything we can to assist you.

Please call any of the following to answer your questions, view cattle, or discuss bidding. Do not call the sale barn number Saturday, as we will not have access to it.

Jerry Meek:(913) 594-1453

Dean Summerbell: (612) 963-3799

Randy Corns: (620) 750-0924

Dustin Moore: (913) 208-4334

Kyle Dye: (913) 731-3011
